## *How to use this Guide*

The purpose of this intensive is to help potential planters discern the specific vision and purpose for the church they will lead in their unique culture and style. This will be accomplished through your teaching the material, and just as importantly, through the building of relationship in their interaction with you and others present, under the direction of the Holy Spirit.

We want to see healthy Vineyard churches planted throughout the United States and the world. The purpose of the Growth Intensive is to help current and potential church planters understand and implement basic principles that will help their church take root and thrive in the environment in which it is planted.

This leader guide is designed to give you a tool to use in your own ministry environment to: 1) train potential church planters or 2) develop your church planting team.

### **Format**

The Vision Intensive consists of four sessions that combine video clips with student interaction and exercises. The sessions can be presented over a weekend (Friday evening/ Saturday), in two successive weekends, or however your ministry schedule permits.

### **How to Prepare**

1. Review the guide to get the flow of the material.
2. Plan how to use the material depending on:
  - a. How much time you have?
  - b. Which sessions are most pertinent to your church?
  - c. How in-depth you want to go?
3. Decide how to use the discussion questions and exercises.
4. Watch the videos beforehand.

### **Training Tips**

The video training clips provide the content; you as the facilitator create a healthy learning environment.

Planning a Healthy Learning Environment:

- Prayerfully prepare.
- Use the videos and accompanying exercises in a way that fits your culture.
- Thoughtfully guide discussion and answer questions.
- Debrief learning.
- Be available between sessions to interact with participants.

Above all, cooperate with the Holy Spirit as you serve those who participate in this training.

- Emphasize the importance of individual conversations with you (or others you recommend) between each session as well as completing reading and other assignments.
- Encourage them to ask questions and have fun!
- Pray.  
(5 min)

(5 minutes)
- Read 2 Corinthians 4:8-18 aloud. Discuss: What was it that compelled Paul to keep pressing on through his great adversity to the extent that he called his trials “light and momentary”? What can we learn about vision from this passage? How do you want to respond?  
(10-15 minutes)

### VIDEO 1.2 Vision Defined (5:00)

- Discuss any or all of these questions, depending on your group: What advantages are there in making your vision challenging yet possible? Why is it good for a vision to have a sense of urgency? How is it helpful for your vision to be specific?  
(10 minutes)

### VIDEO 1.3 The Source of Vision (5:55)

- In groups of 2-3: What might be a good next step for you to take to get clearer vision?  
(5-10 minutes)

### VIDEO 1.4 The Components of Vision (4:55)

- Discuss: “Which of the components of vision mentioned (purpose, values, priorities, practices, targets, ministry model, doctrinal statement) might be easiest or most natural for you to focus your energy and attention on?” “Which might take more work for you?”

**Break** if needed, or you may end the first session here. If you want to devote more time to processing the material, take a few minutes to have participants sketch out a tentative vision statement for their church plant. Wrap up with prayer.

If you choose to make these separate sessions, start the next session by asking people what stood out to them from the previous session.

- What do you want your church to be remembered for in 100 years?
- Considering your responses to those questions along with what we discussed in class, how would you summarize the primary purpose of your church? (Include that summary in your 3 year plan.)

(5 minutes)

**Break** if needed, or you may end the first session here. If you want to devote more time to processing the material, take a few minutes to have participants share with each other what they are most passionate about and how their plant will reflect that passion.

If you choose to make these separate sessions, start the next session by asking people "What is the first word that comes to mind when you hear the words 'The Vineyard Movement'?"

**VIDEO: 2.7 Distinctives of the Vineyard Movement (8:17)**

- Discuss: Which of the distinctives stood out to you as you listened to the talk?
  - the main and the plain

- Read the passage aloud once more, asking God to reveal to each person the significance of the word that was emphasized earlier. Allow another 3 to 5 minutes of silence.
- Share your responses with each other.

(15 minutes)

### KEY QUOTE

*“A really good plan doesn’t tie us down, but it actually frees us up to do what our father is doing.” — Michael Gatlin*

#### VIDEO: 3.2 The Holy Spirit and Planning (5:29)

#### VIDEO: 3.3 Setting SMART Goals (3:58)

- Discuss: What stood out to you from this video clip on SMART (Strategic, Measurable, Attainable, Relevant, Time-bound) goals?

(5 minutes)

4.2 Why Evangelism Is Good News

4.3 Objections to an Obsessively Outward Focus

4.4 Specific Ways to Become Obsessively Outward Focused

## VIDEO

Links to videos: <http://vimeopro.com/multiplyvineyard/vision>

Password: vision

## Warm Up

- Take 2-3 minutes to share with the group how you came to Christ; focus specifically, if you can, on what others did to help you make the decision to follow Jesus.  
(10-15 minutes)

## VIDEO: 4.1 An Obsessively Outward Focus (5:14)

- To help you think about how you might reach others, answer the following questions:
- Although known as the apostle to the Gentiles, Paul was a Jew and ministered first to Jews. In Romans 1:16 he says, "For I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes: first to the Jew, then to the Gentile." (He explains this a bit in 1 Corinthians 9:22: "I have become all things to all people so that by all possible means I might save some.") What kind of people are you apt to reach first, and whom do you want your ministry to extend to?
- Write your own version of Romans 1:16:

- I am not ashamed of the gospel, because it is the power of God that brings salvation to everyone who believes: first to \_\_\_\_\_, then to \_\_\_\_\_.

### KEY QUOTE

*“Our most important priority in regards to God is worship. Our most important priority in regards to people is evangelism.” — Rich Nathan*

- Now think about this:
  - What are some activities you enjoy doing?
  - What are you particularly good at?
  - How can you leverage those to serve and/or build relationship with those who don't know Jesus where you plan to church plant?
  - Share your responses in groups of two or three.(10-15 minutes)

#### VIDEO: 4.2 Why Evangelism Is Good News (3:34)

- Share one way that the gospel has been good news for you.
  - What is one part of the gospel you are excited about as really good news?
- (10 minutes)

#### VIDEO: 4.3 Objections to an Obsessively Outward Focus (5:07)

- Take a few moments to do a self evaluation. How passionate are you about being outward focused? How about your team?
- (5 minutes)

#### VIDEO: 4.4 Specific Ways to Become Obsessively Outward Focused (5:40)

- Michael introduced four ways to become obsessively outward focused. 1) discard being inward-focused; 2) cultivate motivation and excitement for being outward-focused; 3) develop strategies for being outward-focused; 4) be disciplined in implementing those strategies. In light of these, take a few moments to jot down a response to these questions:
  - What is one specific thing you can do now to become more outward focused yourself?
  - What is one thing you can do as a team to become more outward focused?
  - Next, write a brief strategy for how you hope to maintain an obsessively outward focus.
  - Share with the group.(20 minutes)

---

### Wrap Up

- Share with the group: What is one insight you gained from this course?
  - Pray for and bless each other.
- (20 minutes)
