Matt. 9:38 “Pray earnestly to the Lord of the harvest to send out laborers into his harvest.”

Transitions

Ty & Barb Schroyer, who have been on our prayer list in 2014, have decided to withdraw from the Vineyard Church Planting process. Pray God’s best for them.

General Rule of Thumb - Any group of 40 churches needs to plant one new church each year just to stay the same size because of occasional church closures. For a group of 40 to grow in number, more than one a year needs to be planted.
