

## Discover Church Planting Intensive

March 31 – April 1, 2017, Rolling Hills Vineyard, Valparaiso, Indiana

Do you think you might be called to lead or help start a new church? If so, come to the Discover church planting intensive offered March 31 and April 1 at the Rollings Hills Vineyard Church in Valparaiso, Indiana, southwest of Chicago, IL.

This will be an intense weekend open to all men and women who want to explore the adventure of following God in church planting. Our goal is to help you identify the necessary qualities of a church planter, to conduct an honest evaluation of your gifts and abilities and then learn how to recognize, recruit and begin training your potential team. It's a great opportunity to learn from some seasoned church planters who have been around the block a couple of times. But be careful, this weekend just might change your life.

The weekend will include elements: relationship, teaching and ministry time.

**Relationship.** We want to take the time necessary to get to know one another so most of our meals are planned on site. Take the opportunity to get to know some new people. Share your story and listen to someone else. You could build relationships that will last a long ways into the future.

**Teaching.** You'll have the chance to hear from some pretty experienced men and women, folks who have planted a church or two and have experienced a lot in the process. We keep our teaching short and to the point and leave lots of time for Q & A.

**Ministry time.** We will make lots of time for prayer ministry, listening to the Holy Spirit, and impartation of the gifts God has given to us. This time of God speaking directly into our lives is the thing most of us remember from these meetings. So come prepared to hear God's voice about your specific situation.
